

MovieBird 52'

Powerful. Compact. Studio-ready.

The telescopic crane impresses with a load capacity of up to 25 kg, making it perfect for professional use in TV studios. It combines stability and flexibility in a well-engineered system and, thanks to its low weight and compact design, is easy to transport. The ideal crane for precise camera movements, even in the tightest spaces.

MovieBird 52'

RemoteCamSystems Data sheet
